

REMARKS

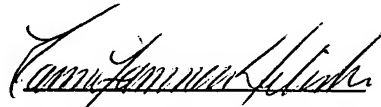

The first sentence of the specification of the Application has been amended herein to provide the reference to related applications required under 35 U.S.C. §120 and 37 C.F.R. §1.78(a). Applicants respectfully request entry of this amendment prior to examination of the Application.

Replacement Figs. 5-8 are submitted herewith to place the drawings in a better condition for publication. As described above, Figs. 5-7 have been amended to remove abbreviations from the label and to make the shading of the bars more distinct. No changes have been made to Fig. 8. Applicants assert that these amendments do not add new matter to the drawings or make any substantive change to the drawings. Accordingly, Applicants request that the entry of Figs. 5-8 as submitted herewith into the record prior to examination of the Application.

CONCLUSION

Applicants respectfully request entry of the amendment to the specification and replacement of Figs. 5-8 with the attached Figs. 5-8 prior to examination of the Application. Should there be any questions, please contact the undersigned
